CDM+

MANAGEMENT SOFTWARE
FOR FAITH-BASED & NONPROFIT ORGANIZATIONS

The CDM+ solutions helps your whole organization collect, manage and share information across platforms. No matter what the size of your organization, your needs now and in the future can be managed and streamlined with flexible plans options.
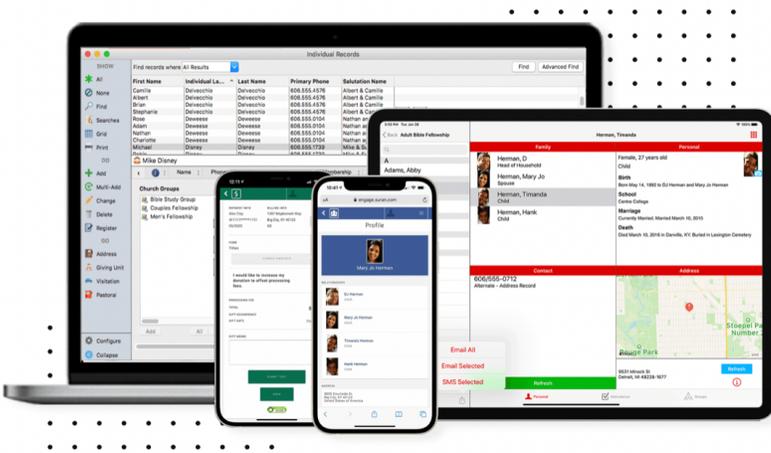

Get Connected

Platform integration is key. CDM+ aligns the unique strengths of technology with the human strengths of your organization.

Improve the Donor Experience

Engage donors with a branded donation experience on your website. Your donation form can highlight specific funds and allow donors to give to areas of importance to meet their philanthropic goals. Focusing on donor needs optimizes retention as well as nonprofit results.

Advance Productivity and Efficiency

Your nonprofit needs easy tools at the fingertips of your busy staff. CDM+ reporting, as well as fund accounting, along with memberships and registration are just a few examples of efficiency at its best.

Connect People

Connect people through your membership directory, photos, groups, and families.

CDM+ you can help you engage with donors by utilizing the tools we offer with various platforms and convenient integration.

Your solution... in one place.

CDM+

Features & Functionality

Membership

No more jumping from platform to platform trying to locate member information. CDM+ Membership provides your staff with convenient access to a rich, integrated database of member information with photos, addresses, contact info, groups, family connections and more.

Attendance

Tracking accurate attendance of members and visitors at worship services, church events, small groups, and Sunday School will help you understand the changing patterns of behavior in your congregation.

Contributions

You'll never import a gift from an online giving service again with CDM+ Contributions. Your givers can create one-time gifts, recurring gifts, or text gifts that automatically desposit into your bank account and settle into your ledger.

Registration & Events

Collect and manage every registration detail and payment in one place with CDM+ Event Registration. From simple sign-ups to multi-day camps, no event is too big or too small for CDM+ Event Registration.

Accounting & Payroll

Streamline accounting procedures, automated & accurate financial reports and chart of accounts. Track funds and designated income. Avoid fees and process payroll easier than ever.
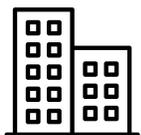

Facilities Manager

CDM+ Roommate is an all in one resource management software. It helps prevent overbooking and overlapping rooms and schedules with an at a glance online calendar.

Check-in/Check-out

Nothing is more important than the safety of your members or guests. CDM+ Check-In/Check-Out provides a simple way to manage security at Sunday School, daycare, church or donor events, and more.

CDM+

CDM+ has helped non-profits and faith based organizations grow and succeed for over 30 years. We understand the time and consideration that goes into choosing the right data management software and look forward to learning more about the needs of your organization.
