# Member Profiles

Give your people the power to manage their own personal information with CDM+ Engage People.

Members can update photos, address, phone, email, family connections, groups and more.

A photo gallery can strengthen bonds and help new members feel more at home in your community.

Updated information saves to your CDM+ Membership database. No syncing or extra work necessary.

# Small Groups

People can view their own groups, members within their groups, and information about other groups.

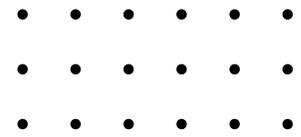

The screenshot shows the 'New Life Church Groups' interface. On the left is a navigation menu with categories like 'CHURCH GROUPS', 'CHURCH OFFICES', 'CHURCH SCHOOL CLASS', 'CHURCH SCHOOL STATUS', 'COMMITTEES', 'COMMUNITY GROUPS', 'HOBBIES, INTERESTS, ETC.', 'MARITAL STATUS', 'MEMBERSHIP CODES', and 'MEMBERSHIP STATUS'. The 'Couples Fellowship' group is selected. The main content area shows the 'COUPLES FELLOWSHIP' group details, including a search bar and a list of members with their names and profile pictures:

- ADAMS: Alex, Abby
- ALLEN: Lucy, Bill
- COOK: Ruby, Charles
- DELVECCHIO: Al, Camille
- DISNEY: Mike, Susan
- FITZPATRICK: Jack, Jill
- HARVEY: Margaret, Rhett

Streamline collaboration by making it easier for people to connect with groups that peak their interest or need.

Groups leaders can use [CDM+ Mobile](#) to add members and send email and text communication.
